SHARE OWNERSHIP

Strategic affiliation with two major Canadian financial institutions while maintaining management control

WHY INVEST IN FIERA CAPITAL?

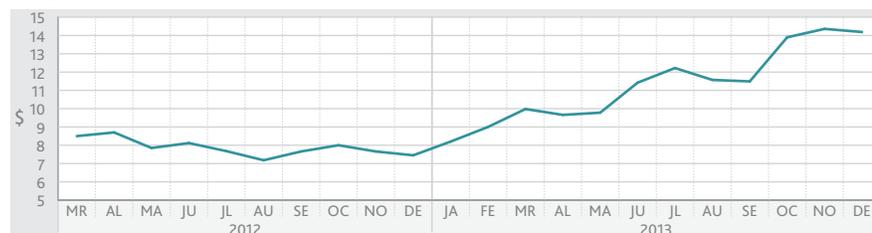

- **Diversified Product Mix:** Integrated full-service, multi-product investment manager, generating revenue from diverse asset classes
- **Significant Scale and Affiliation:** Robust operating platform and access to distribution capacities of two large Canadian institutions having ownership interest
- **Multi-Channel Distribution:** Strong institutional and retail capabilities and long-term AUM agreement with a major Canadian financial institution
- **Superior Fund Performances:** Long-term industry-leading performance against benchmarks
- **Solid Track Record:** Capacity to achieve robust financial results and to create growth through organic initiatives and acquisitions
- **Strong Corporate Governance:** Experienced management team and Board of Directors

OUR GROWTH STRATEGY

Create Shareholder Value by Building a Leader in the North American Investment Management Industry

- Grow market share through numerous performing investment strategies and broadly distributed retail and institutional funds
- Lead in the realm of non-traditional investment solutions with strategies such as liability-driven investment (LDI), real estate and infrastructure products
- Expand distribution capabilities and gain traction in sub-advisory segments
- Innovate and invest in best-in-class portfolio management capabilities and expertise
- Increase scale and operating efficiency as acquisitions are integrated and synergies are realized
- Focus on organic growth and selective strategic acquisitions

Forward-Looking Statements

Certain statements in this Fact Sheet are "forward-looking statements" which reflect Fiera Capital's expectations regarding future growth, supply and demand of assets, any appreciation in the value of assets, results of operations, performance and business prospects and opportunities. Wherever possible, words such as "may", "would", "could", "will", "anticipate", "believe", "plan", "expect", "intend", "estimate", "aim", "endeavour" and similar expressions have been used to identify these forward-looking statements. Such forward-looking statements reflect Fiera Capital's current beliefs with respect to future events and are based on information currently available to Fiera Capital. Forward-looking statements involve significant known and unknown risks, uncertainties and assumptions. A number of factors could cause actual results, performance or achievements to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements including, without limitation, those risks and uncertainties discussed elsewhere on this Fact Sheet. Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results, performance or achievements could vary materially from those expressed or implied by the forward-looking statements contained in this Fact Sheet. These factors should be considered carefully and prospective investors should not place undue reliance on these forward-looking statements. Although the forward-looking statements contained on this Fact Sheet are based upon what Fiera Capital currently believes to be reasonable assumptions, Fiera Capital cannot assure prospective investors that actual result, performance or achievements will be consistent with these forward-looking statements. These forward-looking statements are made as of the date of this Fact Sheet, and Fiera Capital does not intend, and Fiera Capital does not assume any obligation, to update or revise these forward-looking statements to reflect new events or circumstances.
